

# Iran: Economic Research Assistants

Project Title	Iran: Economic Research Assistants
Project Summary	Research and report on economic, energy, and financial trends in Iran, using Farsi-language, Iran-based websites, social media, and other available open sources.
Country	United Arab Emirates

## Project Description

The Iran Regional Presence Office (IRPO) in Dubai conducts in-depth analysis of political, economic, and social developments within Iran. We will be hiring up to two economic Virtual Interns to conduct research on economic and commercial trends in Iran.

Interns would be assigned to both long-term research projects (spend several weeks researching a single topic and provide a comprehensive report), or short-term spot reports on specific items. We are only interested in Iran-based sources, and Farsi language proficiency is a must.
